Stars Of World Soccer (World Soccer Legends)

Synopsis

Everyone knows Messi and Ronaldo—the current twin peaks of the most popular sport in the world—but who are their main competitors and their fiercest rivals for the crown of modern soccer? With colorful photography and fun facts, this lively and accessible book provides some answers: Stars of World Soccer tells you who these players are, where they come from, and what they have accomplished. Profiling 30 men—including the Brazilian crown prince Neymar, the enigmatic genius Zlatan Ibrahimovic, the troubled spirit Luis Suárez, and the fabulous James Rodríguez—this engaging book profiles the cream of the crop in world soccer today. Get to know the stars!

Customer Reviews

We love this series and this book was another great addition!

Great book. I gave this to my son for a gift (he loves soccer) and he has it on his table next to his bed.....like a coffee table book for soccer loving kids. It's a beautiful book.

I bought this for my grandson who plays soccer and is planning on playing in college next year. He LOVED the book!
