Customer Reviews

This paperback book is jam packed with over 300 fun facts on things that are big and small. It is all about Guinness World Records where size really matters. There are records for things such as Largest Condiment Sachet and Largest Loop de Loop. I really like the game section which features video and board games! Lots of strange stuff but funny to flip through. Every single fact shows a picture of the person/act and a short description. The recommended age is 8 to 12 years old and is a Guided Reading Level T. The book is broken down by Astounding Animals, Fantastic Foods, Awesome Achievement, Vast Vehicles and Great Game Changers. It is a good sized book as well

and will keep kids busy flipping through!! received this to review in exchange for sharing my honest opinion.
