Artificial Intelligence With Common Lisp: Fundamentals Of Symbolic And Numeric Processing
Artificial Intelligence with Common Lisp

Fundamentals of Symbolic and Numeric Processing

James L. Noyes

Synopsis

Computer Science

Book Information

Hardcover: 644 pages

Publisher: Heath; 1st edition (January 1, 1992)

Language: English

ISBN-10: 0669194735

ISBN-13: 978-0669194739

Product Dimensions: 7.5 x 1.5 x 9.2 inches

Shipping Weight: 3 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars See all reviews (1 customer review)

Best Sellers Rank: #1,187,108 in Books (See Top 100 in Books)   #69 in Books > Computers & Technology > Programming > Languages & Tools > Lisp   #399 in Books > Textbooks > Computer Science > Artificial Intelligence   #771 in Books > Computers & Technology > Computer Science > AI & Machine Learning > Intelligence & Semantics

Customer Reviews

This book is great to begin the study of fundamental elements of AI directly in the best suited language to program AI - LISP. To so many it may seem outdated, but think twice and make no mistake about the power of LISP. If you are somebody who needs to proceed building an intelligent platform, this book is the best starting point in making sure you have the basics. By saying "basics" doesn't mean this book is trivial, as it refers to a very advanced area of Computer Science.
