This book shines like a lighthouse on a dark night. Young people can be helped in making good decisions if they follow the clearly organized topics. *WWJD?* Becomes "Now I know what is the right thing to do in my life." Helps young adults to live in the world and not be of it. Also, I regularly read the KJV and when meaning seems muddled I can rely on this version for clear and accurate information.

Although I grew up with core fundamental believe in Judaism, I recently took an interest in Jesus and Christianity. A friend of mine from college recommended this version of the Bible, she goes to a non-denominational baptist church, which I've been starting to visit lately and so I recently ordered it and I have been nothing but pleased. I enjoy all the "hot topics" he points out, but I also love that he sources everything and where to find the current issue you are looking for. Also, I enjoy the back section with all the true/false, fill in the blanks etc. I really recommend this for any practicing Christian.

Wow, This bible has helped me so much in understanding the bible in words that I can comprehend. The sidenotes also help in understanding what the verse is saying in a more modern approach. It is great for the teens.

This is a really great bible for young people, as well as new believers in Christ. It is an easy format to read and makes a great present. Its not fancy like some of the ones they have now, but then again neither is the price. For the money, its a great read and excellent way to study God's word!

This is an amazing Bible. It has a lot of very good devotions and in the back has a very simple explanation of how to become a Christian and how to live the Christian life. I highly recommend it, not only for teenagers, but all ages.

I have purchased 6 bibles they are wonderful I would suggest them to anyone looking for a good study bible.

Jesus paid the price for my and your sins. Accept His free gift of life! Repent and ask Him to be your Savior and to forgive you. He'll do it! John 3:16

Great for teenagers who want to read and understand the Bible. It provides explanations and examples of how to apply the Bible to their life.
