Customer Reviews

Albert C. Outler's *John Wesley's Sermons*, an Introduction is an excellent book, well done by one of the ablest Wesleyan scholars we have had in the last several years. He was Professor of Theology at Perkins School of Theology, Southern Methodist University in Dallas, Texas. This book includes the introductory remarks he had to the first four volumes of John Wesley's sermons. He tells us about John as a preacher which he was primarily, his theological methods, his sources. All in all it is a very well done read in which nothing important is missing. J. Robert Ewbank author "John Wesley, Natural Man, and the 'Isms'"

this is indispensable for any student of John Wesley, or anyone interested in Methodism. I had it in seminary and use it all the time.
