Gracie & Grandma And The Itsy, Bitsy Seed

Synopsis

Gracie and Grandma are back in their third adventure. Gracie brings Grandma a present, an itsy, bitsy seed in a pot. What will it grow to be? Only Gracie knows the secret. Gracie and Grandma let their imaginations run wild thinking of what could be growing in the pot. Is it a cow or balloon plant? Maybe its a monster plant and only Gracie can save us! In the end, Gracie and Grandma make tomato soup from the tomato plant theyve grown together.

Customer Reviews

Cute book! I took Gracie's idea and did the same thing for my kid's grandmas for Mother's Day. I bought some cute planters, planted seeds in them but didn't tell them what the seeds would grow into, and included a copy of this book. My kids thought it was fun, and it was something 'different' that the grandmas enjoyed.

The book came with a crease down each page. I did not want to spend the time or moeny to ship it back as i needed it for Christmas. I would think twice about ordering from again.
