# "Stand Firm In The Lord" Two-tone Bible / Book Cover - Philippians 4:1 (Large)

## Customer Reviews

I bought this bible cover because of the design and the scripture on it. This reminded me of the Tree of Life, if your roots are firmly planted in Christ Jesus you will bear good fruit. The scripture "Stand Firm in the Lord" is a great reminder everytime you look at this cover. But you wanna know how this cover is made...lol....so this cover you can tell is not real leather but is well made, has a zipper and a pen loop on the inside. Sturdy handle on the outside.

Most Bible covers can not accommodate large Bibles sizes like what I needed. This cover is approx. 10 1/4" x 7 1/8" x 2" in size. The cover I was using before was a bit tight and frayed the edges of my Bible. It has the feel of leather but is not, and it is nicely sewn. The cover tree design is great and has received many compliments. The only con is that I wish the metal zip tab was a little easier to use. If not careful, the tab can get tucked around the corner, making it a little difficult to unzip. I find this a minor con for a great bible cover.

This cover works for my LSM Bonded Leather Holy Bible. It is one of the very few that can accomodate a more than 10" bible. It has beautiful two tone, apparently, imitation leather that is soft to the touch and very nice indeed. Awesome!

I have two different bible covers from this manufacturer and I love them both. I've owned SOOOOO many bible covers over the years and the quality is superb and you can have a cover that's not boring!! I will only buy my bible cases from this manufacturer from now on because of the variety of covers, the quality and you can trust the workmanship.

The bible cover is well worth the money. My daughter received it as a Christmas gift and absolutely loved it.

This cover looks very nice and is one of the few that will fit my large Bible. However, it broke after 2 months of use. The carrying strap is attached underneath to a metal fastening which chewed right through it. For this reason alone, I can't recommend this cover.

Visually it looks stunning, and it feels great to the touch. My Bible fits well, I ordered the large edition for my 4 Version Side-by-side Bible. It looks exactly like the picture if not better. If you are looking for a case for your Bible I highly recommend this one.

Purchased as a gift for my wife to be used with her Joyce Meyer's Bible. Bible fit great with plenty of room for pens, pencils and small not pad. Item arrived on time, packaged well without damage. It is not leather, has more of a quality "vinyl" feel to it but is amazingly beautiful for the price. I highly recommend item and Seller. My wife Loves it!
