Gymnastics (Bullfrog Books: I Love Sports)

Synopsis

Gymnastics is fun! Through large, full-color photographs and carefully leveled text, *Gymnastics* introduces beginning readers to the basics of the sport and encourages them to try gymnastics themselves. A labeled diagram helps readers identify gymnastics equipment, and a picture glossary reinforces new vocabulary. *Gymnastics* also features reading tips for teachers and parents, a table of contents, and an index. *Gymnastics* is part of Jump!'s I Love Sports series.

Book Information

Series: I Love Sports

Library Binding: 24 pages

Publisher: Jump! (January 1, 2015)

Language: English

ISBN-10: 1620311798

ISBN-13: 978-1620311790

Product Dimensions: 7.8 x 0.3 x 7.9 inches

Shipping Weight: 7.2 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #1,709,891 in Books (See Top 100 in Books) #68 in [Books > Children's Books > Sports & Outdoors > Gymnastics](#)

Age Range: 4 - 6 years

Grade Level: [Preschool](#) - [1](#)

Customer Reviews

The photos are lovely, but I ended up returning this. I was looking for an intro to gymnastics book for my 6yo nephew, but all of the intro/picture books I found featured girl gymnasts. I took a chance on this one since there was a picture of rings (equipment boys use) on the cover, but inside I found twice as many photos of girls than boys. In addition, I found the written content to be way too elementary for his age, with phrases like "Leah has the best score!" and "Kira is on the balance beam. She hops. She turns. She does not fall." I think it's more appropriate for a younger child. (NOTE: The product details list this appropriate for a 4-6 year old child whereas the School Library Journal review says it's for Grades 2-4--that's quite a discrepancy!)

Good overview of gymnastics for elementary aged kids. Could have more bio info for more of the current gymnasts, though.
