Common Weeds: Coloring Book

Synopsis

Weeds are not simply costly nuisances; with their often sinister beauty, remarkable adaptability and vigor, and their frequent medicinal, narcotic or nutritional uses they can be fascinating members of the plant family. The 45 weeds illustrated here by Stefen Bernath are typical, important weeds, likely to be found almost anywhere in the United States. Full captions identify them, with both botanical and popular names, and offer descriptions, habitat, and weed lore. Each weed is shown in full color on the covers.

Book Information

Paperback: 43 pages

Publisher: Dover Publications; Clr Csm edition (June 19, 2013)

Language: English

ISBN-10: 0486233081

ISBN-13: 978-0486233086

Product Dimensions: 8.2 x 0.3 x 10.9 inches

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (13 customer reviews)

Best Sellers Rank: #81,238 in Books (See Top 100 in Books) #27 in [Books > Children's Books > Education & Reference > Science Studies > Botany](#) #157 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Papercrafts, Stamping & Stenciling > Papercrafts](#) #1444 in [Books > Children's Books > Science, Nature & How It Works](#)

Age Range: 8 - 14 years

Grade Level: 3 - 8

Customer Reviews

Beautiful pictures, very nice. And the weeds included are very common ones that we encounter daily in most of the U.S. I bought this book to use in a class about edible weeds and wild flowers. Some of the captions at the bottom of the pages (under the pictures) however, discuss the plant ONLY from the perspective of it being a bothersome weed. That's fine, but required a bit more explaining on my part to our class participants (one person's weed is another person's dinner!)

I needed a book of pictures of weeds for a talk to a garden club. This book has good pictures and small discriptions also. My daughter can color them after the speech too

It is a good way to learn what is weeds in your area. I wish there were more colored pictures of the weeds to study

Very challenging since this book only have weeds, but good keep me going for hours. I recommend this book.

Excellent transaction. Item as described and fast shipping. Thank You.

I love having fun leaning about common weeds. Pesky plants.

Good quality with colored pictures of each plant.
