Dark Emperor And Other Poems Of The Night

Synopsis

A 2011 Newbery Honor Book
Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies
"raspberry leaves!" and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl
"but do beware of the great horned owl
"for it's wild and it's windy way out in the woods! This Newbery Honor-winning picture book combines beautifully written poetry with facts of the forest and elaborate illustrations to form a marvelously engaging collection.

Book Information

Lexile Measure: 1020L (What's this?)

Hardcover: 32 pages

Publisher: HMH Books for Young Readers (September 6, 2010)

Customer Reviews

When you decide to create an in-home library for your grandchildren, searching for the best books to add to it can become a great adventure - time consuming, yes, but also fun and rewarding. People start suggesting their own favorites, you find yourself making notes on booklists gleaned from dozens of sources and - most fun of all - you sometimes just sort of stumble across a book while looking for something else and it becomes a treasured addition to your collection. This book,

Dark Emperor and Other Poems of the Night, falls into that last category. In this case, it was the owl on the cover that caught my eye - probably because I'd just recently seen the film Legend of the Guardians: The Owls of Ga'hoole. The owl was enough to make me take the book down from the shelf, but it was the wonderful content that had me putting Dark Emperor and Other Poems of the Night into my buy pile. I loved this book on my first read through, captivated by the unexpected, but somehow perfect, mixture of poetry and science. Apparently, had I been familiar with author Joyce Sidman who has employed this combination in previous books such as Butterfly Eyes and Other Secrets of the Meadow and Song of the Water Boatman and Other Pond Poems, this combination would not have surprised me. (Both of these earlier books now reside on my Wish List.
