Customer Reviews

I read this book nearly 30 years ago, and it lifted me out of depression, and put me back on track as a Christian. I have been a fan of Catherine Marshall's work ever since. She wrote with such honesty about her own feelings and failures as well as her many successes, giving the praise to God always.

What a legacy this woman of God left before she went home to heaven. Her life was a life of the right priorities. This anointed book will draw many people closer to God as they read the insight she shares. Reading about the testimonies of others who have overcome encourages you in your walk with the Lord Jesus. Another theme from Holy Scripture that she emphasizes throughout the book is love, i.e., love for God and for other people. In fact, love for God will cause these other matters to fall into place appropriately. The motivation, desire, and focus will naturally flow out of a heart that loves God.

This is an awesome book. Answers some basic question of how God can allow the horrible things to

happen here on Earth. How to forgive those who have hurt you. A must read.

This book is so simply written, and views God so simply, that the whole thing really appealed to me. The simple concepts of prayers and how to reach God, as well as how to place God in your life are really easy. The many spiritual stories and accounts are very hard to quit reading. Very excellent! Very easy to read!

This book propelled me to go deeper in my personal walk with God. It was instrumental in my understanding on faith, surrender, forgiveness and love. Since then I have given this book out to many folks struggling in their faith and it has been such a blessing. Though written in 1961 it is as fresh as the day it was written.

I have enjoyed this book for over forty years and shared it with many people experiencing depression, illness, lack of direction, or in search of a deeper faith. Catherine's very personal stories have proven to be very helpful to me and many of my friends.

It is amazing how God reveals divine healing power through Ms. Catherine's "Beyond Our Selves". Every time I feel down, God has used the book words to lift me - no - to let me soar up in the spirit. This treasure embraces divine healing power to emotional hurts, discouragement, confusion, depression, self-worthlessness, grief. Truly, God's word never returns empty.

I read this for a class project but instead it changed me. Even through a quick reading I was challenged and quite moved by personal stories and biblical truths put in a new light. I plan to read it again and again to reveal new ideas each time!
