Customer Reviews

This book is a classic that has timeless truths with regards to healing. You get a view of the understanding that each of these generals had about how God still heals and in turn shared it with their generation. It is a resource that you can use over and over again. Great read!

Excellent Book in Every Way. A Must Read

The 3 classics are Divine Healing by Andrew Murray (which was why I bought the book; The Ministry of Healing and The Gospel of Healing (which I have not yet scanned at this time. I was on a quest to balance myself between my being a Christian and being a Reiki Master. I have been given a gift to help, NOT HEAL, people, and I was doing what the Bible tells us; Know the difference between spirits that are good and spirits that are bad. My Reiki spirit is good. I have witnessed the comfort it gives my clients over & over again. I feel the energy move out and back into myself. I feel when it no longer flows. I feel comfortable, knowing I was allowed to help somebody I don't even know. I volunteer my Reiki to others. Andrew Murray has some deep thoughts, and I was hoping to

gain some knowledge. I have found the book helpful to me, and I am now at peace with myself and God, whom I thank for my gift.
