The Biography Of Wool (How Did That Get Here?)

Synopsis

The history of wool is not simply the history of a product that people wear, but a history of farming, human migration, and manufacturing. This intriguing new book tells the story of one of the world's first fibers, spun into cloth since as early as 1500 B.C. Topics include- sheep and goat farming and fleecing- British woolen goods prized by Roman invaders- weavers, trade guilds and wool marts or "staples"- the Industrial Revolution and the start of mass manufactured clothing- wool and textile production today
