## Customer Reviews

As with other talk sheets this product provides a readily available lesson for Junior High youth that they really connect to even if Middle School kids don't really connect to you.

Really Nice work book for teaching .

I have used one of his earlier Talksheet books with my middle school Sunday School class, so when I saw this one was available, I bought it. I really like them and the kids seem to, too. The worksheets keep them engaged. They give good topics for discussion as they learn more about the Bible story and the life lesson to go along with it. It makes the lesson easy to prepare, and very easy for a substitute to use on short notice.
