The Life Recovery Journal: Becoming A New You - One Step At A Time

Synopsis

Inspired by the best-selling Life Recovery Bible, The Life Recovery Journal provides users with a vehicle for sorting through, internalizing, and documenting their journey towards recovery via 52 guided entries, based on the Twelve Steps. The journal offers readers two different approaches to the material (seasonal and monthly), both of which are complemented by the following: Introductory readings based on information found in the Life Recovery Bible and Workbook, specially-selected Scripture verses, questions for personal reflection, sidebar prompts, and prayer starters. The Life Recovery Journal asks open-ended, thought provoking questions to encourage introspective responses. It encourages the active integration of the Bible and the Twelve Steps into daily life. It provides helpful writing prompts to encourage deeper thinking. The open format provides participants with plenty of journaling space, as well as room for notes and Bible references.

Customer Reviews

I bought this Bible for myself when I got out of treatment for narcotics addiction. It is a wonderful Bible for anyone who wishes to pursue recovery. I enjoy that there are several testimonials within the publication and several devotionals included that will guide the reader through the steps of recovery. I also purchased the workbook and journal so that I could dig deeper as I work the steps. I am also grateful that this is an easy to understand translation of the Bible. I would recommend it to any believer seeking recovery based on the Word of God.

Use it with the Life Recovery Bible and workbook. If you are a Christian and want a more distinct Christian perspective than what you'll find at your meetings or if you are looking to start a group at your Church, this will fit the bill.

This Bible is a great companion to Christian people in recovery. Many references to the 12-steps throughout the Bible and very easy to read. I find the explanations and co-ordinating the 12-steps to the Bible very positive. This bible makes my understanding of the Bible deeper and shows me ways to apply the 12 steps in my daily life.

A good supplemental workbook to coordinate with the complete Life Recovery system. The system looks into Scripture paralleling the AA twelve steps to help struggling people find restoration and recovery.

This is a wonderful bible. It makes it very easy to understand for us burned out recovered junkies.

My friend/neighbor who is in jail said that this added to the Life Recovery Bible and Workbook are a way that he is able to work the steps of recovery along with walking closer to Jesus! Thanks Steve for allowing God to use you to write these books.

I am enjoying working in The Life Recovery Journal and find the material and questions and journal prompts very helpful. I just wish there were a little more room to write in the Journal itself.

Excellent resource to work the Twelve Steps of Recovery in the most thorough way possible! I'm so excited to be able to offer this book to the people in our Recovery Group; there will certainly be many miracles of healing as they go thru this journey of recovery from addictions!
